

RESOLUTION 2012 - 1

WHEREAS, Jennings Northwest Regional Utilities is a regional water and sewer district, established under Indiana Code 13-26, set seq., and has the authority to establish rates and charges for the availability and use of its water and sewer systems; and,

WHEREAS, in the past, Jennings Northwest Regional Utilities established availability fees for its sewer utility, which fees are billed annually to those property owners who have sewer service available to their property but are not connected thereto; and,

WHEREAS the Board of Trustees of Jennings Northwest Regional Utilities had determined to eliminate such availability fees over a period of time.

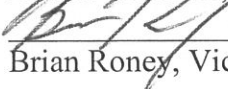

BE IT, THEREFORE, RESOLVED, that Jennings Northwest Regional Utilities hereby eliminates the **sewer** availability fee assessed to those property owners within the district who have service available but are not connected thereto.
